PMI OKC chapter hosts monthly meetings. The meetings typically take place from 11:30am to 1pm at the OSU OKC facility. Occasionally, there are evening meetings. Meetings are an excellent opportunity to earn PDUs¹, to network with other project managers (from beginners to experts) and to learn from the experiences of the speakers.

As a PMI OKC chapter member, you will be included on the monthly meeting invitations and the newsletter distribution. You are also entitled to significant discounts at PMI and chapter sponsored events. Once you become a member, you will be given access to the member section of the chapter website at www.pmiokc.org. As a service to PMI OKC members, PDUs for monthly chapter meetings are filed automatically for members who hold the PMP certification. PDUs for any other event must be filed by the individual at www.pmi.org.

¹Professional development units (PDUs) are accumulated for certified Project Management Professional (PMPs) only.
